LA MER COLLECTION

Introducing La Mer, a stunning collection of freshwater pearls and pastel shaded ropes that captures the essence of the ocean.

La Mer collection incorporates pearls into everyday wear. Each freshwater pearl reveals a unique iridescence, reminiscent of the sun's reflection on the sea. This collection is perfect for layering with other pieces and is designed to exude sophistication and elegance, creating a timeless look.

Available in three colour ways.

AMOUR COLLECTION

L'ARTISTE COLLECTION

Introducing L'artiste Collection, a collection of gorgeous cabochon stones that exude elegance and sophistication. This collection features two colors - Milky Aquamarine and Green Aventurine.

Each stone is carefully cut and polished to perfection, bringing out the unique beauty of every piece.
